

Official Order of Ban Khai Technical College

No. 620 /2025

Subject: Appointment of the Committee for Operating Internal Quality Assurance in Educational Institution Academic Year 2024

.....

The Ministerial Regulation on Education Quality Assurance B.E. 2561 requires each educational institution to establish an internal quality assurance system, by setting institutional educational standards in accordance with the Vocational Education Standards proclaimed by the Minister of Education, consisting of 3 standards and 9 assessment indicators, namely: Standard 1 – Desirable Characteristics of Vocational Education Graduates, Standard 2 – Vocational Education Management, and Standard 3 – Building a Learning Society. In driving the quality assurance of educational institutions, which involves evaluating and monitoring quality according to the institution's educational standards, there must be quality assessment indicators corresponding to the Vocational Education Standards B.E. 2561. The Office of the Vocational Education Commission has therefore developed guidelines for quality assessment of educational institutions under the Vocational Education Standards B.E. 2561, allowing institutions to assess and evaluate quality both quantitatively and qualitatively.

In order to uphold the ideals and principles of vocational education management, Ban Khai Technical College wishes to appoint administrators, teachers, and personnel to perform the duties of the committee for operating internal quality assurance in the institution in conducting quality assessment (SAR) for academic year 2024, in accordance with the Vocational Education Standards B.E. 2561 of Ban Khai Technical College, comprising 3 standards, 9 assessment indicators, 33 sub-indicators, and aligned with the quality assessment of the Office for National Education Standards and Quality Assessment (ONESQA) for reporting educational quality assessment results according to the quality assessment criteria of vocational educational institutions, as follows:
