

Memorandum of Agreement

Receipt of Subsidy from the Electricity Development Fund for Operations under Section 97(3)
for Annual Budget Year B.E. 2569

Community Project: Hiring Educational Personnel to Support the Management of Teaching and Learning at Ban Khai
Technical College,
Nong Sala Lok Subdistrict, Ban Khai District, Rayong Province (Continuing)
of Ban Khai Technical College

Memorandum of Agreement No. รฟ ๒๐๑๒/ 005/๑๐5 b.P

This Agreement is made at the Rayong Provincial Electricity Development Fund 2, No. ๑๒๘/๔-๑๐, Village No. 3, Nong Sala Lok Subdistrict, Ban Khai District, Rayong Province, on **09 February B.E. 2569** between the Rayong Provincial Electricity Development Fund 2, represented by Mr. Rueangrit Prakobtham, Rayong Provincial Governor, acting as the representative delegated by the Chairperson of the Community Development Committee for the Power Plant Area of the Rayong Provincial Electricity Development Fund 2, pursuant to the resolution of the Community Development Committee for the Power Plant Area of the Rayong Provincial Electricity Development Fund 2, No. 001/2569, dated 26 January B.E. 2569, hereinafter referred to as "Rayong Provincial Electricity Development Fund 2," as the First Party, and Ban Khai Technical College, represented by Mr. Yuttaphan Khotraplant, Director of Ban Khai Technical College, located at No. 11, Nong Sala Lok Subdistrict, Ban Khai District, Rayong Province, hereinafter referred to as the Subsidy Recipient, as the Second Party.

The Subsidy Recipient agrees to implement the community project: Hiring Educational Personnel to Support the Management of Teaching and Learning at Ban Khai Technical College, Nong Sala Lok Subdistrict, Ban Khai District, Rayong Province (Continuing), in order to carry out operations within the area of Ban Khai Technical College. The project's target group is students at Ban Khai Technical College, totaling 2,865 persons. The budget amount requested for support from the Rayong Provincial Electricity Development Fund 2 is 380,000.00 Baht (Three Hundred and Eighty Thousand Baht), with the responsible unit to carry out procurement in accordance with the Royal Decree on Government Procurement and Supply Management B.E. 2560, or to prepare an action plan; upon completion, the subsidy recipient shall complete disbursement within a period of 120 days or 4 months after signing this Memorandum of Agreement between the unit and the fund. Upon receiving approval and completing the hiring process, completion shall be made within the budget year B.E. 2569, i.e., by 30 September B.E. 2569.

/Both parties...

Both parties have agreed together to determine the conditions for implementing the project relating to the receipt and disbursement of funds from the Rayong Provincial Electricity Development Fund 2 in implementing the community project as follows:

Clause 1 Determination of operational procedures and disbursement based on implementation results

Item 1: Disbursement of an amount of 380,000.00 Baht (Three Hundred and Eighty Thousand Baht)

Procurement type (Contracting): When the unit has signed this Memorandum of Agreement with the Fund and has proceeded in accordance with the Royal Decree on Government Procurement and Supply Management B.E. 2560, until the recipient/contractor has signed the employment contract or purchase agreement, together with an evidence letter of disbursement, in order to proceed in accordance with the contract with the recipient/contractor thereafter.

Seminar/Training/Study Tour type: When the unit has signed this Memorandum of Agreement with the Fund and has prepared an action plan, determined operational procedures, together with an evidence letter of disbursement, and an implementation results report. After completion, it shall be submitted within 30 days for the Fund to compile and send a summary results report to กพร. for review as appropriate and upon recommendation of กพร.

Clause 2 The subsidy recipient shall use the funds received to implement the project as approved by the Provincial Electricity Development Fund Area by adhering strictly to the regulations of the recipient unit.

Clause 3 The subsidy recipient must supervise and control project operations to completion according to the action plan and the disbursement schedule received through the approval of the Provincial Electricity Development Fund Area.

Clause 4 The subsidy recipient must prepare, supervise, and implement operations according to the administrative management plan, at minimum in the following areas:

- 4.1 Personnel preparation, both administrative and operational, to carry out various activities according to the proposed community project.
- 4.2 Communication and public relations, both within the relevant organizations and the local community.
- 4.3 Implementation results report preparation, both in terms of operational results reports and financial reports submitted to the Provincial Electricity Development Fund Area on a monthly basis.

Clause 5 Documents that are part of this Community Project Support Memorandum of Agreement include:

- (ก) Community project application documents to the Electricity Development Fund for development or restoration of the area that has received impact from the operations of the power plants approved by the Fund, and the resolution of the Community Development Committee for the Power Plant Area approving the project, together with details (กพร.๔๕๗ (ก)๐๓๓)
- (ข) Project plan (if any)
- (ค) Details of the hiring recipient or vendor
- (ง) Disbursement plan or action plan
- (จ) Copy of bank deposit book of the recipient unit to receive support funds from the Rayong Provincial Electricity Development Fund 2, with co-signature

/ (ก) Documents...

- (๑) Other documents as specified by the Provincial Electricity Development Fund Area, namely:
- ๓) Guidelines for project public relations sign preparation, according to the format นพฐ. specifies
 - ๔) Copy of civil servant ID card of the community project responsible officers, totaling 3 persons, with co-signature
 - ๕) Community project operational guidelines for Annual Budget Year B.E. 2569

Clause 6 The Provincial Electricity Development Fund Area shall allocate budget funds to the subsidy recipient according to the details in the approved action plan obtained from the Provincial Electricity Development Fund Area, which is deemed a part of this Memorandum of Agreement. The Fund Area shall transfer these subsidy funds to the bank account of the subsidy recipient, Account Name: Ban Khai Technical College, Bangkok Bank, Nikom Phatthana (Rayong) Branch, Account No.

884-0-43460-3, so that the subsidy recipient can prepare a receipt from the unit as the amount received, and submit it to the Provincial Electricity Development Fund Area or the representative of the Provincial Electricity Development Fund Area within five working days.

Clause 7 In the event that any modifications arise from this Memorandum of Agreement, the Provincial Electricity Development Fund Area shall present the matter to the Community Development Committee for the Power Plant Area as the authority to determine appropriate methods and measures.

Clause 8 In the event there is sufficient evidence indicating that the community project has not produced benefits or there is a risk that the community project will not achieve success, the Provincial Electricity Development Fund Area may order the subsidy recipient to temporarily suspend operations, or warn against actions that have caused or may cause damage, until clarification is provided as to the true facts for correction or resolution in accordance with the conditions determined by the Community Development Committee for the Power Plant Area of the power plant fund first.

Clause 9 If the subsidy recipient cannot carry out activities according to the plan agreed upon in this Memorandum of Agreement, cannot make corrections in accordance with the conditions of the Community Development Committee for the Power Plant Area, cannot send an activity results report, or cannot provide a financial expenditure report to the Provincial Electricity Development Fund Area within the specified time, by reason of the fault of or negligence by the Provincial Electricity Development Fund Area or the Provincial Electricity Development Fund Area's counterpart, or by reason of an act of one party which compels the other party not to be required to comply with the law, the Provincial Electricity Development Fund Area in the area has the right to cancel the support agreement. The Provincial Electricity Development Fund Area shall consider granting exclusively to the portion of recipients who have been able to proceed to the extent that they can be effectively and reasonably utilized, with operations proceeding properly.

Clause 10 Remaining funds from the implementation, if any, shall be returned to the Provincial Electricity Development Fund Area.

Clause 11 Upon completion of the community project, compile all documents of the community project implementation process for the Fund, together with a project progress report, within 30 days after completion.
